This journey through Napa Valley takes you through one of the most complex wine growing regions in the world. Spanning 26 miles, the valley experiences a range of weather and soil conditions that influence and embellish the wines produced in Napa Valley. The southern region enjoys cooling breezes and morning fog, inspiring cool-weather loving varietals such as Chardonnay, Pinot Noir and Syrah. Moving north toward Calistoga, the climate heats up and the richer soils favor Cabernet, Merlot, some old vine Zinfandel and Sauvignon Blanc. Enjoy the day and the many appellations along the way on this "Napa Valley South to North" adventure.

### Westin Verasa Napa Hotel

### Antica Napa Valley – Antinori Family Wine Estate

Begin your **private tour and tasting for two** at Piero's Fountain, named in honor of patriarch Piero Antinori, where you will be greeted with a glass of Antica's delicious Fossino Rosato (Rose'). Continue to the Antica "cucina" tasting room and enjoy a **seated tasting of Antica's estate wines paired with locally inspired culinary delights**. Although Antica is known for their single vineyard estate grown Chardonnay and Cabernet Sauvignon, you will also taste their collection of limited production estate wines - Sauvignon Blanc, Merlot, and Pinot Noir - which deliciously convey the family's Tuscan heritage now continued in Napa Valley.

On his return to Napa he worked at several wineries before founding his vineyard and winery in 1990.
